

Chi-Cheemaun Ferry Service Operating Season Delayed due to COVID-19

April 30, 2021

Ontario's top priority is to continue to protect the health and well-being of all Ontarians and prevent the spread of COVID-19.

To reduce the spread of COVID-19 and protect the health and wellbeing of passengers and crew, the Owen Sound Transportation Company (OSTC) is delaying the opening of the M.S. Chi-Cheemaun ferry service spring operating season.

Ferry services between Tobermory and Manitoulin Island originally scheduled to begin on May 7, have been delayed until further notice. The government is monitoring the situation closely and will provide an update by May 21, 2021.

All reservations affected by this delay have been cancelled. At this time, OSTC will be in contact with customers with reservations on regularly scheduled sailings between May 7 and May 20, 2021 and will assist them with rescheduling transportation to a later date.

QUICK FACTS

- Ferry schedules may change in response to changing conditions, additional recommendations and restrictions. Please refer to www.ontarioferries.com for detailed information.
- Customers can now text OPT IN to 613-703-9026 to receive updates to the Chi-Cheemaun Ferry Service directly to their phones.
- Customers can email info@ontarioferries.com for additional information on refunds and trip rescheduling.
