

James Colliver

Director Since April 2024

James Colliver has over 45 years of experience in capital markets and asset management. Over his career, as a senior executive he has built and managed successful businesses measured by asset growth and industry rankings. He is currently a Public Member appointee to Council for the Royal College of Dental Surgeons of Ontario. In this role, he chairs the Pension Governance Committee and the Professional Liability Program. He is a volunteer member of the Knox College investment committee. James graduated from Huron University College in London, Ontario and has earned numerous investment industry designations.
